

2nd

Immunology Workshop for Clinicians

1-3

November 2019

*"In memory of the
Immunologist
Vily Panoutsakopoulou"*

**Aquila Atlantis Hotel
Heraklion Crete**

Has been awarded 21 (CME-CPD credits)

Organizer

Pancretan Health Association

Co - organizers:

Clinic of Rheumatology and Clinical Immunology
University Hospital of Heraklion - Crete

Laboratory of Immunological Regulation and Tolerance
Biomedical Research Foundation - Academy of Athens

www.clinicalimmunology-crete-2019.gr

Friday November 1, 2019

17:30-19:30

Inflammatory responses

Moderators: *G. Bertsias*

- Bone marrow in immune responses (*I. Mitroulis*)
- Stroma in immune responses (*M. Armaka*)
- DNA damage and Inflammation (*G.A. Garinis*)

19:30-20:30

Future therapeutic targets: Pharma pipeline

Moderators: *D.T. Boumpas*

- D. Martin (Sr Director JAK Franchise Research Lead)

20:30

Dinner

Saturday November 2, 2019

09:00 – 11:00

Autoimmune diseases pathogenesis: What's new?

Moderators: *A. Repa*

- Nephritis in Systemic Lupus Erythematosus (*H. Frangou*)
- Rheumatoid arthritis (*P. Sidiropoulos*)
- Inflammatory bowel diseases (*I. Koutroubakis*)

11:00-11:30

Break

11:30-13:30

Immunotherapy in autoimmunity

Moderators: *S.N. Liossis*

- Cytokine inhibitors (*G. Fragkoulis*)
- Jak-STAT, TYK inhibitors (*G. Bertsias*)
- Interferons and chemokines in autoimmune diseases: from basic science to translational application (*C. Mavragani*)

13:30-14:30

Light Lunch

Saturday November 2, 2019

14:30-17:00

Immunity in Cancer

Moderators: *P. Verginis*

- Immunotherapy in cancer: Resistance mechanisms in solid tumors (*O. Tsitsiloni*)
- Tumor microenvironment (*P. Foukas*)
- Tumor microbiota (*A. Iliopoulos*)

17:00-17:30

Break

17:30-19:30

Cancer immunotherapy: Immune Check point Inhibitors

Moderators: *D. Mavroudis*

- Melanoma (*H. Gogas*)
- Lung (*S. Aggelaki*)
- Colon cancer (*I. Souglakos*)
- *A. Bamias* (TBC)

19:30-20:30

Moderators: *P. Sidiropoulos*

Future therapeutic targets: Pharma Pipeline

- V. Baroutsou (Chief Scientific Officer WEC Cluster)
- T. Karatsourakis (Medical Advisor in

20:30

~~Breast~~ Hematology)

2nd

**Immunology
Workshop
for Clinicians**

Sunday November 3, 2019

- 09:00 – 11:00** **Workshop 1: Case based discussion (rheumatology, gastroenterology, neurology, oncology)**
- Biologic therapies and specific infections, cardiovascular risk, immunogenicity
 - Immune check point inhibitors and autoimmunity
- 11:00-11:30** **Break**
- 11:30-13:30** **Workshop 2: SOPs**
- 13:30 – 14:30** **Conclusions – Wrap up**
